

Ruth Ann Kloepfler Peters Memorial Fund Request for Funding

The following was approved at the SCQM Gathering in Spring 2014:

Establish the Ruth Kleopfer Peters Memorial fund to support the spiritual life and to build community in SCQM. This will include supporting children and youth activities and programs, providing resources to enrich SCQM adult programs and activities, and promoting attendance at Quarterly events.

The mechanism for using these funds is to establish a line item in the annual budget of up to \$4,000 annually (amount to be reviewed regularly). The amount not used in any given fiscal year will carry over to the following year. This fund will be administered by the SCQM Ministry & Counsel Committee.

Examples of activities for funding:

- Speakers or facilitators at retreats
- Financial support for youth events and fellowship
- Supplies for intergenerational activities (for example: paint for a mural as was done at SMMM)
- Priority will be given to new projects, activities, events that deepen the spiritual life or promote community.
- Continue subsidizing attendance at Quarterly gatherings.

Applications by individuals for project funds need to be seasoned by a Quarterly committee or Monthly Meeting before submission to SCQM M&C. Applications by groups will come through Committees of SCQM.

The committee recommends that the fund be invested with Friends Fiduciary Fund.

To request funding for a project, email a completed copy of the form below to the Clerk of SCQM Ministry & Counsel Committee (M&C) Gail Thomas (quakergail@gmail.com). M&C will contact the Meeting or committee that seasoned the request and will determine whether the request is eligible for Peters Fund support. Once M&C approves the request, they will forward it to SCQM Finance Committee for verification that the application is complete and that there is adequate funding available for the request. Once Finance Committee approves, they will let M&C know so that the applicant can be advised of approval of their request and will let the Treasurer know that funding has been approved. Documentation of expenses incurred must be provided in order to receive reimbursement from the Treasurer. Allow adequate time for the request to be reviewed by M&C and by Finance Committee. Funding for expenses that have already been incurred will only be approved in an emergency.
