

Safety Policy

COVID Attestation:

1. To attend the Gathering in-person, it is strongly recommended that everyone five and older be fully vaccinated; i.e. two doses of Pfizer or Moderna vaccine or one dose of the J&J vaccine, plus one booster when eligible.
2. People with any symptoms should not come.
3. Masks, N95 or equivalent, such as a KF-94 or KN-95, are to be worn indoors, except when eating or drinking. Single-layer cloth masks are not effective.
4. A supply of masks will be available, but please bring your own.
5. Participants are expected to physically distance as possible both indoors and outdoors. If participants develop symptoms of COVID-19 during the gathering, they are asked to test for COVID-19 (we will have a small supply of tests on hand), alert the Registrar of the symptoms and test results, and leave Temescal Canyon (you will be welcome to rejoin us online).
6. Participants should promptly alert the Registrar of any positive COVID-19 within five days after the gathering.
7. Parents and guardians are responsible for having their children comply with this policy. By registering for the gathering I affirm that I meet the above requirements and will abide by the above guidelines.
8. I acknowledge that although SCQM has adopted these COVID protocols, no protocol can assure I will not be exposed to, or contract COVID-19. By attending SCQM in person, I assume that risk. I will do what I can to protect both my health and that of others. If I am sick, I will stay home.
9. Overnight sleeping quarters will be assigned by family/household pod, where applicable. Attenders from different households assigned to the same cabin or bungalow will need to socially distance and wear masks as appropriate.
